This annual concert offers Bucks County Folk Song Society members a chance at 12-20 minutes of fame and will include eight individual and group performers contributing their talents to an entertaining evening.

In an effort to take best advantage of scarce stage time, several members have banded together into performing groups. Some of these excellent collaborations cannot be heard or seen anywhere else, while others have resulted in lasting relationships and appear regularly around Bucks County and beyond.

LOCATION: Perkasie Mennonite Church, 320 W. Chestnut St., Perkasie, PA (at the corner of 4th & Chestnut Streets).
